

Report on Induction Meet (Diksharambh) for B.Ed. Session 2025–2027

The Induction Meet for the new batch of B.Ed. students (Session 2025–2027) was organized in Mundeshwari College for Teacher Education on 22/08/2025 with great enthusiasm and warmth. The program was aimed at welcoming the fresh entrants and acquainting them with the academic environment, rules, and culture of the institution.

The program began with a warm welcome of the dignitaries, faculty members, and new students, followed by the lighting of the lamp and invocation. The IQAC coordinator Kumari Shashi Singh addressed the gathering and extended heartfelt greetings to the new batch, highlighting the importance of the teaching profession and the responsibilities that come with it. Faculty members introduced themselves and shared details about the curriculum, examination system, co-curricular activities, and facilities available in the college. The session also included an orientation about the vision, mission, and values of the institution, along with an overview of various academic and extracurricular opportunities. Interactive sessions were conducted where students expressed their expectations and aspirations. Senior students participated in cultural programs and also shared their experiences and motivated the newcomers to actively participate in academic, cultural, and community service activities. The event concluded with a vote of thanks, appreciating the efforts of the organizing committee and encouraging the students to begin their new academic journey with zeal and dedication. Overall, the induction meet successfully created a welcoming atmosphere and set a positive tone for the upcoming academic session.

Sumita Singh.
