Date: Wednesday, 13th May 2026

Workshop on Cyber Strike

A workshop on “**Cyber Strike**” was successfully organized at **Mundeshwari College for Teacher Education** on Wednesday, 13th May 2026. The students of B.Ed. actively participated in the programme.

The main objective of the workshop was to create awareness among students about cyber security, online threats, and preventive measures against cyber attacks. During the session, experts shared important insights related to cyber strike and explained various aspects such as hacking, phishing, and data theft, along with ways to stay safe from such threats.

The workshop not only provided theoretical knowledge but also included practical examples, which helped students understand cyber safety measures more effectively. It enhanced their digital awareness and emphasized the importance of safe internet usage.

Overall, the workshop proved to be highly informative and productive. The students found it very beneficial and expressed their interest in participating in similar programmes in the future.
