

Report on 7 Days Employability Skill Program

A 7 days Employability Skill Development Program was organized in our College by **Nandi Foundation under the Mahindra Pride initiative** from 08/09/2025 to 15/09/2025. The program aimed to equip student-teachers with essential life skills, communication abilities, and professional competencies required for future career growth. The sessions were conducted by experienced trainers from Nandi Foundation who focused on key areas such as personality development, effective communication, interview skills, digital literacy, teamwork, and time management. Activities like group discussions, role plays, mock interviews, and presentations were included to make the training more interactive and practical. Students actively participated throughout the program, gaining valuable insights and confidence to face future challenges in the teaching profession and beyond. The trainers also emphasized the importance of self-awareness, problem-solving, and adaptability in the present-day competitive world.

On the final day, a feedback session was held where students expressed their gratitude for the opportunity and shared their learning experiences. The IQAC coordinator appreciated the initiative of Nandi Foundation and Mahindra Pride for conducting such a meaningful program that contributed significantly to the overall professional growth of student-teachers. The 7 day program concluded successfully, leaving the participants motivated and better prepared for their careers.
