NAAC Peer Team Online Visit

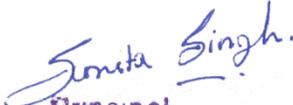

Mundeshwari College for Teacher Education (MCTE), Patna, is delighted to announce the successful completion of the National Assessment and Accreditation Council (NAAC) Peer Team's online visit, held on the 28th and 29th of May, 2025. The two-day assessment marks a significant milestone in the institution's journey towards academic excellence and quality assurance in higher education. The NAAC Peer Team conducted a rigorous and comprehensive evaluation of the college, examining the institution's performance across all seven criteria, ranging from curricular aspects to governance, innovation, and best practices. The team meticulously reviewed both Qualitative (QIM) and Quantitative (QnM) metrics to assess the academic and administrative health of the college.

Principal Dr. Kumari Sunita Singh and Internal Quality Assurance Cell (IQAC) Coordinator, Mrs. Kumari Shashi Singh extended heartfelt gratitude to the NAAC Peer Team for their valuable insights and constructive feedback. They emphasised that the visit has been an enlightening experience that will further empower the college to enhance its quality benchmarks in teacher education.

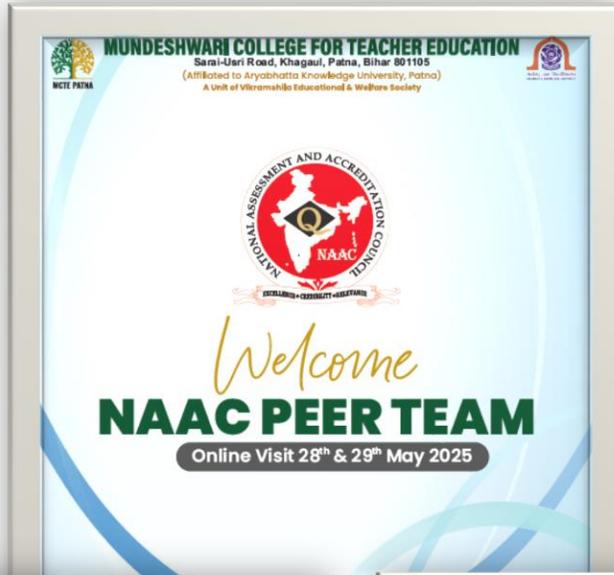

The institution was also honoured by the presence of its esteemed Governing Body members on the concluding day of the visit. Chairman, Shri Samrendra Singh, Vice-Chairman, Shri Deval Singh, Secretary, Shri Amal Singh, and Member, Mr. Sanjay Singh personally congratulated the entire faculty and administrative team. They praised the collective effort and dedication that led to the successful organisation and execution of the online visit.

The Governing Body members acknowledged the proactive role played by the IQAC and appreciated the smooth coordination and meticulous preparation undertaken by both teaching and non-teaching staff. The NAAC visit not only highlighted the institutional strengths but also reaffirmed the college's unwavering commitment to academic integrity, student development, and inclusive education.

Mundeshwari College for Teacher Education looks forward to implementing the valuable recommendations provided by the NAAC Peer Team and remains committed to continuous improvement in pursuit of excellence in teacher education.
