**1.1.1 Plans for mid-course correction wherever
needed for the last completed academic year**

IN-HOUSE CURRICULUM PLANNING AND REVIEW

The annual plan for the academic programme was planned in the meeting and internal Quality Assurance cell. Based on the planning and discussion the academic calendar was prepared followed by the monthly planning and schedule discussed in the Board of studies meeting, and prepared in the curriculum planning committee meeting. Modifications were done in the plan according to the local requirements and time availability of the scheduled programme. This process was done after collecting feedback from faculty, alumni, school administration and subject experts.
